

**GET INVOLVED**

**Join use MY data – there is strength in numbers!**

**use MY data is a movement of patients, carers and relatives**

**Our vision is of every patient willingly giving their data to help others, knowing that effective safeguards to maintain the confidentiality and anonymity of their data are applied consistently, transparently and rigorously**

**Members of use MY data**

Members are patient advocates – patients, carers or relatives – who believe that patient data should be used to save lives and improve care for all.

**Associate members of use MY data**

Associate Members work for patient organisations, charities, research institutions, the NHS. They support use MY data and are united by their interest in sharing healthcare data to improve patient outcomes, under appropriate levels of consent, security and privacy.
